

## CAMPBELL VALLEY EQUESTRIAN SOCIETY

### Sponsorship Benefits and Levels

Your sponsorship helps the Campbell Valley Equestrian Society (CVES) provide, maintain and improve the public equestrian facilities in Campbell Valley Regional Park, supporting all equestrian disciplines in the Lower Mainland.

CVES is a non-profit organization run by volunteers with all revenue generated being put back into the equestrian facilities in the Park. The Society organizes Dressage, Jumper and Cross Country schooling days and runs the annual Horse Trials in August as well as facilitating other events to help generate the funds to further our projects. The Society publicizes and promotes these equestrian activities and events in the Park to maximize the involvement of the Lower Mainland riding community.

Your sponsorship in the form of cash donations, prizes for our Horse Trials or supplies help us to support the large equestrian community in the Lower Mainland.

Cheques payable to Campbell Valley Equestrian Society or CVES
